¿ What about lunch ?

Lunch will take place in the canteen. Follow the main stairs down to the basement.

Self service : indicate your preference to the waiter

First dish + second dish + dessert + drink

Full menú 4.95, 1 dish is also posible

There is a vegetarian option

If you have any particular request please tell us.

You can leave your lugage in the room (at least today)

¿ Rooms and coffee ?

In addition to this room we have booked another classroom most of the meeting. If needed ask me.

In the library there are “quiet spaces” and rooms available for groups, they can be reserved on demand.

Default place for coffee is the cantine (closes around 17:00) but we also have a coffee machine at room 238 (this corridor) and some cookies. A large vending machine @groundfloor. Useful when cantine is closed

You can leave your luggage in the room (at least today)

We will open the seminar at 9:00 a.m. Faculty closes at 21:00

COMPLUTENSE
MADRID

¿ Wifi ?

General information

Network key and account details:

- **Network:** UCM-CONGRESO
- **key:** congresosUCM
- **Username:** coding@congreso.ucm.es
- **Password:** coding2018

+ Eduroam

Requirements in the configuration of user equipment

It is imperative that the network configuration of the user equipment has:

- Automatic detection of IP (by DHCP) and DNS
- No proxy define in the browser

Connection

- Choose “UCM-CONGRESO” in the list of available networks
- Introduce the network key and connect
- Open your browser with url.
- When the page of “Red Inalámbrica de congresos UCM” appears fill the form with the data in point 1 above.
- The account will be valid until one day after the meeting
- Once the data are introduced, an information page will appear and then you will be redirected to the url introduced.

Dinner

- We can a social dinner or simply tapas.
- ¿Where are you staying ? ¿How many would be interested ?
- Think about it and we fix the details tomorrow
